General Information

Water Charges (Section 552 Local Government Act)

- Availability / Vacant Land Charge: is an annual charge divided evenly across the quarterly accounts. It applies to all properties within 225m of the nearest water main, even if there is no water meter present.
- Water Consumption: billed using a stepped tariff. The first 125 kilolitres per quarter are billed at a lower rate than subsequent usage.

Current prices and interest rates can be found in our Operation Plan, which can be found at rwcc.nsw.gov.au.

Interest On Overdue Charges (Section 566 Local Government Act)

Interest accrues on charges that remain unpaid after they became due and payable. The current interest rate is listed in our Operational Plan available at rwcc.nsw.gov.au.

Privacy and Personal Information Protection Notice

Riverina Water County Council holds personal information for the purpose of identifying property owners and includes their property details. The supply of this information is legally required by Council, and all information is handled in accordance with the Privacy Act 1988. Information will not be disclosed to any other party except under legislative requirements.

Eligible Pensioners (Section 575 Local Government Act)

If you are a pensioner you may be entitled to a rebate. The pensioner must be the owner of the property, and it must be their primary residence. Download the Rebate Application Form from rwcc.nsw.gov.au or call our office.

Water meter information

Riverina Water reads most water meters every three months, unless you're a high use commercial customer, who may be on a monthly billing cycle. This reading is used to calculate the amount of water that has been used since the last reading.

Please clear vegetation around the water meter and provide ready access to your water meter for reading and maintenance purposes.This is a requirement under the Water Management (General) Regulation 2011, Clause 127.

Reading your Water Meter

To read your water meter, record the numbers from left to right. The black numbers register kilolitres (one kilolitre is one thousand litres). This is the only measure used to calculate your water account. The red numbers on the right of the dial register litres.

You can use your meter to check for a leak. To do so, turn off every tap on your property and read your meter.

Do not use any water for three hours or more (including the toilet) then read your meter again. If the reading has increased, you have a leak and should contact a plumber.
